

SKP Gift Certificate Policy

SKP Massage LLC offers the sale of gift certificates in any custom value desired. All gift certificate sales are final and cannot be redeemed for cash. Clients can purchase gift certificates via online or in person. We accept cash, personal checks and all major credit cards. Sometimes, SKP Massage will run a promotion where a service is offered at a discount when purchased, through a gift certificate, during a promotional period. That promotional value will have an expiration date, however the monetary value (the amount that was paid for said gift certificate) *never* expires.

SKP Massage also accepts competitor gift certificates. The competitor's gift certificate is accepted at monetary value. If your competitor gift certificate is for a specific service with an unexpired promotion, it is at our discretion whether we can honor that promotional service. If you are unsure if SKP Massage LLC offers said promotional service, please ask our staff and we will do our best to figure out a way to accommodate you to be able to use your gift certificate at SKP Massage LLC.

Gratuity is appreciated on the full value of the service rendered.

If you ever have any questions, please do not hesitate to ask.
